DAHLIAS

Walnut Glen Dahlia Farm

GEORGE A. KING, PROPRIETOR

Adamstown, Pa.

Fields at Mohn's Hill

In issuing this catalogue we feel confident that it contains as fine a collection of dahlias as anyone could wish for. Our aim is to include only the best varieties, and any that do not possess those good qualities that make them desirable are discarded.

Prices are for divided, field-grown roots only.

Order early, as some varieties are scarce. All orders are filled in rotation.

We never substitute unless requested to do so in the order, but would suggest naming a few varieties as second choice.

Dahlia roots will be sent prepaid by mail or express.

All orders are shipped after May 1st, unless otherwise ordered.

Remittances should be made by bank draft, money order, or registered letter. Orders up to one dollar should be made in stamps.

We guarantee all roots to be healthy and true to name. Having no control over them after delivery, we do not guarantee them to live and thrive. Any unsatisfactory bulbs must be returned within ten days from date of shipment.

If you are unacquainted with the different types and varieties of dahlias, we would suggest that you leave the selection to us. Send the amount of money you wish to invest, and in return we will send you a collection that will surely please.

A cordial invitation is extended to all flower lovers to visit our gardens during August, September and October.
